Dear Ms Ohlsson and supporters of Project Education

Thank you so much, for your donation of R54 000, which we received from your Foundation at the beginning of this month! This will sponsor 45 children at Christmas Tinto Primary School which you have "adopted" through the facilitation of The Imibala Trust.

We are always encouraged when our work is endorsed by such unconditional and generous support. We trust that the thank you letters which the children will write in the next couple of weeks as they receive their school uniforms, will encourage you similarly.

Please accept our gratitude for the generosity that you are showing for the South African youth and their education, through your fundraising. We wish you much continued success.
