Dear Mibala

I'm short in words but I would like to thank you all for supporting me on school uniform for every years.

This uniform has helped me a lot specially on winter. Saying thank you with words is not enough I wish I could give more but unfortunately thanks is the only thing I have, thank you a lot for your support. And I don't had parents my parents passed away so I thank to Mibala sponsored ~~for~~ for ~~the~~ clothes to dress I school it's hard at my home.

At my home I don't have a money to buy clothes. And I stay with my sister thanks for support with school uniform, there time that I don't had a uniform it's hard to me and at my home, But when Mibala support me with a school uniform then it's better to me and to my sister when I have sponsor.

Your child
